### REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The prior art of record fails to teach and/or suggest a method for ultrasonically detecting vibration of a target, comprising, in combination with the other recited steps, either measuring a noise produced by vibration of the at least one transducer and canceling the noise signal from the return electrical signal or calibrating the vibrational characteristic of the target by providing a phase modulator or a frequency modulator.

The prior art of record fails to teach and/or suggest a device for ultrasonically detecting a vibration of a target comprising, in combination with the other recited elements, a contact accelerometer for detecting vibration of the transducer or a phase modulator or a frequency modulator for calibrating the demodulator.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
